COLLEGE OF ENGINEERING

Parent Teacher Association.

The main responsibility of the PTA (Parent Teacher Association)committee is to work for the welfare of students, supporting the quality enhancement of the teaching and learning process and improvement of infrastructural facilities in the college. PTA also helps for several scholarship schemes, medals, prizes and financial supports for the benefit of students and also this committee works to ensure good infrastructural facilities in the institute.

The association meets at regular intervals to discuss various problems relating to the general welfare of the students. The general body of the parent teachers association (PTA) is met twice in every year; one at the beginning of the academic year and the other at the end. Further, class PTA meetings are held once in a semester following their first internal examinations. Parent -Teacher -student meetings are also convened in connection with the these meetings. The Principal, the faculty in leadership avails these opportunities as a good means of interaction with parents.
